Summer Goods at Miller's.

We have very superior articles in FLY FANS and at a very low price. You will certainly need one this summer, and before buying look at ours. No key needed to wind them up.

Also a very superior make of WATER COOLERS and REFRIGERATORS. We sell the "ALASKA" REFRIGERATORS, which used only 12 lbs of ice to its nearest competitor's 17 lbs at the New Orleans Exposition. This is a great point when you consider how scarce and high ice is this season.

It will pay you to see these goods, as we will thoroughly recommend them and guarantee satisfaction.

We are constantly receiving NEW GLASS-WARE, the latest productions of the market, and you can find excellent substitutes for Cut-Glass in some of these patterns.

FRUIT JAES and JELLIES are much cheaper

than they were last season, and you will find the very lowest figures at our store. Have you seen our NEW JAM JAB? If not, do not "put up" any Jelly until you have seen it. It fills a long-felt want. Goods arriving every day.

je3 E. J. MILLER & SON.

We were able to secure from the importer in New York last week a hogshead of VIENNA CHINA TEA SETS at a greatly reduced price, which we invite you to call and examine during the coming week. There are two shapes, and you will have to come early if you want to get the prettiest. You will be surprised to find how very cheap they are, and if you contemplate buying a set do not put it off, as you may not have such an opportunity again soon.
